## Letter of Reference

**Axis Applications,  
17 Westcote Road,  
SW16 6BN  
London**

I have been really impressed with the level of service we have received from Axis Applications. The few times I have requested help from you it has been fast and very accurate.

I have no problems recommending your company. You not only provided us with your marketing ideas, but our online advertising system has been installed properly and it's working flawlessly since then and integration with your application is perfect.

Many, many thanks for very fast and accurate response and all the updates– you have made me loyal customer! Keep up good work and thanks for your help so far.
